**Sixth Annual Day Report**  
**03-Feb-2024**

# 1.0 Introduction

Good Evening Ladies and Gentlemen.

On behalf of the staff and students of Rane Vidyalaya, I take immense pleasure in welcoming this august gathering to the **Sixth Annual Day Celebrations**, a significant landmark in the journey of the Institution. I am extremely privileged and honored to welcome our Chief Guest Mr. Harish Lakshman, Vice Chairman, Rane Group and the Guest of Honour Mrs. Malavika Harish Lakshman. I also welcome Mrs. B. Rajalakshmi, Correspondent, Rane Vidyalaya, Members of the School Management Committee, dignitaries who are watching the program online, distinguished guests, parents, dear students and my beloved colleagues.

## 2.0 Rane Group

Rane's CSR Vision is "To be a socially and environmentally responsible corporate citizen". The endeavour of the group is to channelize efforts towards addressing key societal issues. Rane Vidyalaya was established in June 2018 at Trichy with a mission of providing quality education to rural children. The school began functioning from the academic year 2018-19 with 66 students and I am proud to say that we have crossed the 841 for this academic year 2023-24 in the sixth year of operations.

## 3.0 Academic Highlights:

**"Learning gives creativity, creativity leads to thinking, thinking provides knowledge and knowledge makes you great".**

We have started the academic year 2023-24 on 5<sup>th</sup> April 2023. We have believed in Organic Growth and our first batch of students who are in the 9<sup>th</sup> standard now, have been with us for the past 5 years.

The National Mission lays down priorities and actionable agendas for States/UTs to achieve the goal of proficiency in foundational literacy and numeracy for every child by grade 3. (NIPUN BHARAT MISSION). Class 3 is considered the inflection point by which children are expected to '**learn to read**', so that they can '**read to learn**' after that. It is with pride, that we are announcing that 85% of our Primary Class children achieved the GOAL in our Term exam in October, 2023. We also participated in the nationwide Achievement Survey conducted by the Centre and State Governments for 3 and 6<sup>th</sup> students, (ASER SURVEY) and did commendably well in the exam. Let us also recall that this is the second year, that academic classes are being held in school after COVID break.

Learning loss due to COVID has been largely bridged. We are adopting various measures to achieve our goal. Extra coaching classes for higher classes, regular weekly tests and special counselling sessions for children are some of these steps.

- Rane Vidyalaya is the first school in Trichy region, to establish a **Virtual Reality Lab** with content enabled for Science, Social and English for its students from Classes 1-9, in line with NCERT syllabus.
- We have partnered with **Bharathidasan University** to provide Government approved computer certificate courses called **SUITS- School-University Industry Tie Up Scheme** from classes 5-9. These courses cover latest curriculum like Python, AI, "C" and basic Office automation packages.
- Rane Vidyalaya has supplemented the regular CBSE Curriculum to provide the students with an edge to face the competitive world. The students get extra inputs in **Mathematics and Science** in classes 6-9. The teachers are guided to provide this extra input, with specialised training from experts like **Seekers / Lernity and Aha Guru**.
- Academics has been our focus. To benchmark ourselves, we encouraged our students to participate in the Science Olympiad Foundation – SOF International English, Math, Science, Social and General Knowledge. 327

students have participated and 18 of them secured Gold Medal of Excellence in English, 17 in science, 19 in Mathematics and 5 of them secured Gold Medal of Excellence in GK. **Four students have qualified for the next level exam in Math.**

- Humming Bird International Olympiad has conducted Olympiad exams for Tamil. 127 students have participated in this Olympiad.
- Humming Bird – Spell Bee – English Olympiad. 143 students have participated. Waiting for the results to come.
- All the 7<sup>th</sup> and 8<sup>th</sup> standard students have been initiated into ROBOTICS through a 2-day work shop conducted by Rane Polytechnic Technical Campus. I am proud to announce that the students were quick to learn and grasp the newer concepts. This was part of the SKILL DEVELOPMENT classes to be conducted as per CBSE under the New Education Policy and formed an important part of our STEM initiatives.
- We have encouraged our students to participate in inter school competitions conducted by other schools and colleges like Dhanalakshmi Srinivasan College of Engineering, SR Ramakrishna and Rajaji Vidyalaya.

We have 37 teachers and 11 Office Staff. None of these achievements would have been possible without the single-minded commitment and dedicated care of our teachers. We are also constantly encouraged by parents and well-wishers who have shown much confidence and given their fullest support. I wish to acknowledge the efforts and guidance of our management as their collaboration and contributions have made a difference.

## **4.0 Teacher Training Programmes:**

The need for continuous learning is a given in most professions. Teachers are expected to keep up with current practice, for their careers as well as for their students.

Realizing the need to be updated in an ever-changing environment, we encourage our staff members to continuously learn to provide meaningful learning experience to our students.

- To enhance the competency of our teachers we provide 10 days of training during the academic year. We also send our teachers to the training programs conducted by the Centre of Excellence, CBSE all over Tamilnadu.
- As a Principal I have attended “Strategic Leadership for Schools in a Changing Environment” IIM-Ahmadabad.
- Our teachers have attended CBSE COE programs for Maths, Setting X Board exam papers etc.
- Awareness workshops on Road Safety, POSH and Sensitivity training was given to all the students, teachers, admin staff and van drivers, covering all the stake holders.

## 5.0 Service Award to Staff Members:

**“Teaching is a passion and not a profession”.**

Rane Vidyalaya takes pleasure in recognizing the following staff members who have served the Institution for 5 Years.

S.No	Name of the Staff	Designation
1	R. Nagarajan	Principal
2	B. Sangeetha	Co-Ordinator
3	D. Roseline	Co-Ordinator
4	M. Kanimozhi	Exam Co-Ordinator
5	S. Balamurugan	Driver

I personally express my heartfelt gratitude to the Management for giving me this wonderful and challenging opportunity and this is my 13<sup>th</sup> year with Rane.

## 6.0 Co- Curricular Activities

### SPORTS

Rane Vidyalaya places equal importance to Sports Activities. **“To be a great champion you must believe you are the best, if you are not; keep on trying.”**

- We organized a Training Camp for Cricket, Table Tennis, Throwball, Kho-Kho, Fitness and Basketball during the summer of May, 2023. This was a huge success with reputed coaches providing the necessary training.
- We conducted the Sports Day on Aug 26<sup>th</sup>, which was a culmination of the various Track and Field Events and Team Events like Cricket and Volley Ball conducted amongst the various houses. The March Past, the Olympic flame and Oath taking, were done with diligence to also educate the students on how Sports is organized at National and International levels.
- Our children participate and win prizes in various Silambam, Karate, Yoga, Chess, Sports, Music and other competitions conducted at the Zonal, District and State levels and win commendable positions. The long list of winners is attached in the Annexure. K P Lekshita of III, won the Gold Medal in Weight Lifting in the District Level Competition. Silambam notable performers are Vishnuwardhan, Gowtham, Guphreish Pandi, Nagulan, Harishitha, Naren Pandi, Dhivesh and Rishiban. Karate notable performers Jeyan, Yalini,

### CLUBS

- Club activities are an integral part of any School. Literary clubs in English, Tamil and Hindi, Maths, Music and Arts, Heritage and Eco clubs operate vibrantly throughout the year. The clubs were inaugurated on 08 – July 2023. The students were encouraged to participate in competitions held as part of club activities to increase their confidence, knowledge & enhance their all-round development.

I take this opportunity to congratulate all the students who have shed their inhibitions and participated in those events. The meritorious will receive the prizes today. I am proud to state that 40% of the students are receiving a prize in one or the other club Activity, indicating the participative atmosphere available to the child in the school.

## **7.0 Celebration of Functions and Events**

Various events were celebrated with a lot of enthusiasm and fun throughout the year like Yoga Day, Swachh Bharat week, Fit India, Independence Day, Republic Day, Teachers Day, Children's Day, Kamarajar Day, World Soil day, Youth Day were all celebrated with pomp and splendor.

Festivals like Ganesh Chaturthi, Gokulashtami, Christmas, Diwali and Pongal, Colours Day and Navaratri.

We have met our parents at the beginning and end of each term through PTA meetings and taken their valuable inputs from time to time.

## **8.0 Educational Field Trips:**

As part of the curriculum, we had the field trips for all classes.

We have arranged a Field Trip to "Keeladi – Excavation near Madurai for 6 to 9<sup>th</sup> standard students.

We have organized a one-day trip to Planetarium and Science Park for the classes 3<sup>rd</sup> to 5<sup>th</sup>.

We have also arranged a Field Trip to Butterfly Park for the students for KG to class II.

## 9.0 Concluding remarks.

With a long-term strategic focus, we will be well poised to continue to provide an excellent learning platform with empowering our students on the 21<sup>st</sup> Century Skills to meet the challenges of the modern era.

"Don't tell us sky is the limit when there are footprints on the moon"!

"If you are planning for a year, sow rice;

If you are planning for a decade, plant trees;

If you are planning for a lifetime, educate people."

Once again, I sincerely thank all of you and the parents who have been with us in this journey this year and will support us in the years to come.

Thank you
