1.0 Introduction

Good Evening Ladies and Gentlemen.

On behalf of the staff and students of Rane Vidyalaya, I take immense pleasure in welcoming this august gathering to the **Fifth Annual Day Celebrations**, a significant landmark in the journey of the Institution. I am extremely privileged and honored to welcome our Chief Guest Mr. L. Lakshman, Chairman Emeritus, Rane Group and Managing Trustee of the Rane Foundation and the Guest of Honour Mrs. Pushpa Lakshman. I also welcome Mrs. B. Rajalakshmi, Correspondent, Rane Vidyalaya, Dr. Joshua Arulkumar, Principal, Rane Polytechnic, my beloved colleagues, students, parents and other distinguished guests.

We are very happy to share with you that we have received the CBSE Affiliation for Senior Secondary School on 20th May, 2022. This is a remarkable achievement given the short period of operations. This would not have been possible without the support of the Rane Foundation and Management which made the Infrastructure of Phase 2 ready, in time with 34 class rooms, 11 spacious labs and all facilities to accommodate 1200 students.

2.0 Rane Group

Rane's CSR Vision is "To be a socially and environmentally responsible corporate citizen". The endeavour of the group is to channelize efforts towards addressing key societal issues. Rane Vidyalaya was established in June 2018 at Trichy with a mission of providing quality education for rural children. The school began functioning from the academic year 2018-19 with 66 students and I am proud to say that we have crossed the 634 for this academic year 2022-23 in the fifth year of operations.

3.0 Academic Highlights:

We have started the academic year 2022-23 in 6th April 2022. Our Students strength has seen a steady increase from 66 in the first year, 225 in the second year, 360 in the third year, 459 in the fourth year and 634 in fifth year. We have 31 teachers and 11 Office Staff. We have believed in Organic Growth and the Students who are in the 8th standard will grow progressively to higher classes and have been with us for the past 4 years.

- We are therefore proud to proclaim that we were able to achieve most of the goals that we set for ourselves in the learning outcomes at the Foundational Literacy level. While all around we found students struggling with learning losses, Rane Vidyalaya has been able to get on to its feet with the resumption of classes in the school.

- Term-wise progress reports have been shared with the parents in the PTA meetings and we are proud to say that 100% of the students have achieved the Annual Goals, i.e. 70% of the students will get above 70%, set for the respective classes. The credit of the excellent performance is attributed to the hard work of the **teachers**.

Our future looks very bright and with the support of enthusiastic parents and bright students. We will be enhancing our inputs with the latest technologies like Virtual Reality Labs and Special Coaching to face the Board Exams and competitive exams in the coming years. We are NEP ready. Rane Vidyalaya is sure to reach greater heights and be the most sought after CBSE school in this region. None of this would have been possible without the support of the Management and our teachers. Once again, I sincerely thank all of you and the parents who have been with us in this journey this year and will support us in the years to come.
