- Recognize the diversity of talents among the children by promoting extra-curricular activities.

### **4.0 Academic Highlights:**

We believe that the future of the world starts here and in the hands of these children. The session of 2018-19 was a great year, and I consider it a moment of pride to showcase to you all the achievements and development that the school, staff and students, undertook.

The school started with a strength of 66 students from LKG to II standard and 5 academic staff, 3 administrative staff and 5 multi-tasking staff. We have now increased the academic staff strength to 12 gearing up for the next year to extend classes until the V standard.

Vision determines directions of effort and prioritizing deployment of resources at our disposal, and our vision is to make our school one of the best schools of our country by providing 360-degree education to our students through best in class academic facilities and churn out citizens who are inspiring leaders with a humane touch.

Aha Guru have been our implementation partners and have at every step helped in planning and setting up the curriculum, developed class-wise appropriate content for teachers and children, devised the teaching methodology based on activities, ensured practical assessments particularly in mathematics and sciences and timelines. We place on record our sincere thanks to the Aha Guru team for their guidance and support.

Term-wise progress reports have been shared with the parents in the PTA meetings and we are proud to say that 95% of the students have achieved the Annual Goals set for the respective classes, which was witnessed in the SKILL FEST today morning. The credit of the excellent performance

is attributed to the hardwork of the **teachers**, especially with the challenges faced in the first year of operations.

### ***Teachers Empowerment Programs***

“Teachers are also learners.” Staying updated is the key to success in any field, especially, in education. Our teachers constantly strive to stay updated by attending workshops & various training Programs. They have had **25** days of training and classroom observations by our mentors throughout the year.

### ***Co- Curricular Activities***

By providing a conducive and encouraging environment, the students are mentored to participate in a variety of intra-school activities/competitions. It enables the student to grow in confidence, knowledge & enhance their all-round development. Six competitions have been held throughout the year engaging the children and some prizes were given away on Children’s day.

Some of the co-curricular activities for Primary are outlined as follows:

1. Fancy Dress competition
2. Recitation in Tamil Aathichudi & Thirukural
3. Recitation of Rhymes in English
4. Conversational skills
5. Colouring and Painting

We are all set to extend our boundaries and emerge as victors in inter school competitions next year.

Students were also trained in “Child Safety Programs” and “Emergency Evacuation Drills”.

### ***Celebration of Events***

Along with these, various events are celebrated with a lot of vigour and fun. Some of them are:

1. Independence Day and Republic Day
2. Gokulshstami, Diwali and Pongal
3. Teachers Day and Children’s Day
4. Sports Day

We also have observed and created awareness on “Say no to Plastic”, Swacch Bharat and Yoga Day with our children.

We had visitors from Rane Group’s Partners from Japan and USA and they were impressed with our children and their progress.

Constant improvement is the key to success. In this endeavour, we have introduced a few extra classes like Karate, Bharatanatyam and Keyboard classes. We will be starting on various club activities next year introducing **Bulbuls** and Cubs, Computer training, Shloka and Music.

We have met our parents at the beginning and end of each term and taken their valuable inputs from time to time.

### ***5.0 Concluding remarks.***

To conclude, this year, we all took lots of collective steps towards our vision and while one step was taken, many more are to go and it is certainly achievable with your cooperation. We sincerely thank all the parents who have been with us in this journey this year and will support us in the years to come.
