4.0 Academic Highlights:

This second year has been a very eventful one for us. We got an overwhelming response when we decided to expand up to the fifth standard and had good admissions in the second year of operations. Setting very high standards for ourselves to prepare students not only for pure academics, we are making special efforts to enable them to face the challenges of the competitive world. It's a matter of great importance to us that the students who pass out from our portals should carry forward the values they have inherited, excel in whatever they do and be role models in the society.

This academic year started with a strength of 236 students from Pre.K.G to V standard and 14 teachers and 9 office staff.

To carry out the Vision set by the founders of the school, Governance was entrusted to the School Management Committee comprising of eminent academicians like Mrs. Chandra Anil, Mrs. Revathy Devarajan, famous people who have excelled in Education, Arts and theatre like Mr. Rajiv Chaudhry, parents Mr. Ramesh and Mrs. Gajapriya and our teachers. We are happy and thankful to them for accepting our invitation to be part of the SMC and guide us in the development of the school.

Vision determines directions of effort and prioritizing deployment of resources at our disposal, and our vision is to make our school one of the best schools of our country by providing 360-degree education to our students through best in class academic facilities and churn out citizens who are inspiring leaders with a humane touch.
