CHILD-CENTRIC EDUCATION

WHY CHOOSE OUR SCHOOL

We offer a safe, caring and joyful environment, which ensures holistic development of your child.

Help us bring out the best in your child!

Enroll your child now!

Our green campus with well – ventilated classrooms provides the ideal environment for children to learn and grow.

Green campus with excellent infrastructure

Technology-enabled labs & AV room

Our state-of-the-art computer lab, tab lab and audio-visual room help students explore concepts on their own and keep pace with future trends.

Dedicated teachers ensure that every child learns

Our specially trained teachers and child-friendly staff strive to achieve learning outcomes for every child in a meaningful manner, with an optimal student - teacher ratio of 30:1.

Rane Vidyalaya Way

Academic excellence with conceptual understanding

Our attractive hands-on teaching learning materials enable students to practically apply the concepts that they learn in class.

Activities for all-round development including extra-curricular and Sports

Our comprehensive sports program encourages physical fitness among students. Clubs for art & craft, music, dance and theatre ensure that children foster their talents.
